Quality Management System:
FDA Registration Number: The Kerrville facility is not currently required to register with the FDA.
ISO Registration: 13485 Certified – Quality System Registrations will remain intact. They will be updated with name changes in accordance with our registrar's standard procedures. A copy of the updated cert will be available on our Vention Medical Website as they are issued by the Notified Body.
Customer Quality System Audits – This information card is intended to be used by our customers as a "letter to file" that will allow previously conducted Quality System audits to remain valid until the next scheduled audit.
